Factory direct and container prices are available for inflatables and some mechanical rides. These are based on container pricing. Minimum 40 inflatables must be ordered for factory direct prices. Factory direct prices does not include shipping costs including but not limited to container fees, loading fees, special packaging needs (bags are included), government fees, forklift rentals etc.. All fees for shipping are the responsibility of the buyer.

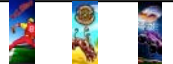

WARRANTY: All Inflatables Bouncers - 1 year, Accessories - 30 days, Blowers and items not made by Action Rides are direct from the manufacturer. Mechanical Rides - 30 days. Custom Items may take longer to make then originally estimated. Items may be shipped direct from the factory to you at your cost. Units in stock must ship immediately. Any cancelling of a product in stock will be a minimum 25% restocking fee of the purchase price + any credit card fees that we incur. Payment in full must be made before we can ship. A weekly storage fee of 5% of the unit or \$50.00 may be charged to hold equipment in our warehouse regarding purchases or repair work on inflatables or mechanical rides. Any items left for longer then 90 days will be considered abandoned and will be sold off with no refunds granted. All prices are FOB NJ or FOB the Factory in Panyu China depending. Mechanical Rides are FOB USA if made in USA FOB China IF MADE IN CHINA unless otherwise agreed in writing on the contract. Items subject to change in color, design, etc. Since we are always improving and technology changes item may vary from original picture or description. Shipping and handling fees are the responsibility of the customer. All items not in stock are considered

custom items.Changes will not result in a different price. LEDs have no warrantees.
